To reach the Summit by public transportation:
If you come into Boulder from Denver on Frequent Flyer routes FF1 or FF2, from Lafayette and Louisville on the DASH, or from South Boulder on the SKIP, get off at the Euclid and Broadway bus stop in front of the University Memorial Center. Walk into campus one block east on the road that runs past the Memorial Center to the adjoining Center for Academic Success and Engagement (CASE). Across from the CASE entrance, catch the Stampede bus to the SEEC building on the CU’s East campus. The bus stop sign says Buff Bus S (for Stampede). The Stampede runs every 15 minutes from 7-8:30 am, every 10 minutes from 8:30-4:30, and then every 15 minutes again. It takes about 7 minutes to stop in front of the SEEC building. If you come into Boulder from Lafayette on the JUMP, get off at the Foothills and Arapahoe Avenue bus stop. The CU East Campus will be across the street from you. Follow the walking trails that run through the east campus to the SEEC building.

We encourage carpooling if public transportation is not possible, click HERE for carpooling opportunities.

If you are driving in a parking permit must be obtained to park in the SEEC parking lot. Click HERE to purchase your permit.
