## BUTTERFLY PAVILION

**Monarch Hall:** This is an ample and fully - customizable open space located near our Discovery Gardens. The open floor plan and neutral colors are perfect for decor and with our vendors you can create a one-of-a-kind experience for your event! The space boasts hardwood floors and windows overlooking our outside gardens.

**Discovery Gardens:** Enjoy the look and feel of an English garden complete with a babbling brook, lily pad pond, a variety of seasonal flowers, lush foliage, two (2) gazebos and an amphitheater. The charm of the floral landscape is breathtaking, and a multitude of seasonally-changing blossoms provides the perfect backdrop for outdoor garden events.

### Monarch Hall:

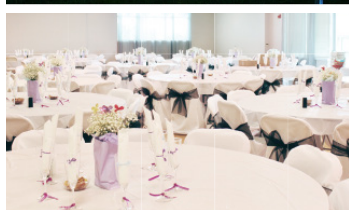

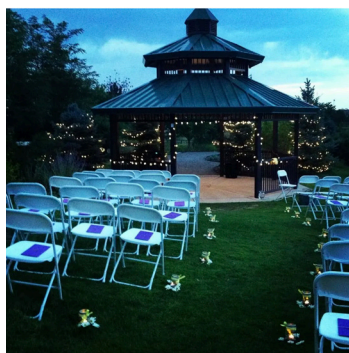

26' x 52' – 1,473 sq ft

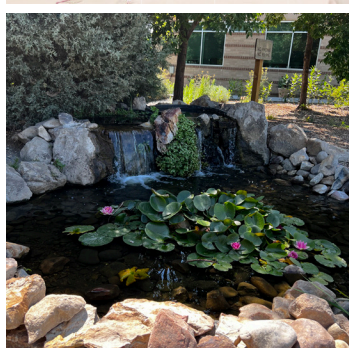

### Discovery Gardens

### Garden Terrace:

56' x 42' – 2,352 sq ft

**Garden Terrace:** This large concrete patio features two (2) fire pits and is the perfect spot for events under the stars. This area is open for tents and adding ambient lighting effects.

**Dragonfly Gazebo:** Our large gazebo offers couples a secluded, garden-like setting surrounded by lush foliage. Beautiful filtered light is natural in early evening events and can be illuminated. A gorgeous setting for your wedding nuptials or tables for your guests to enjoy.

**Lily Pad Gazebo:** Our small gazebo is the perfect size for the twosome that have decided to forego a wedding party! With enough room for the happy couple and officiant, this setup with the garden terrace still seats 150 comfortably with the beautiful landscape of Jefferson County Open Space as a backdrop.

**Amphitheater:** Deeply nestled among the lush scenery this enchanting area is perfect for team-building meetings, weddings, memorial celebrations, and social events of all sorts. The amphitheater seats 70 comfortably and be accessed by guests on foot or by wheelchair along compact gravel paved paths.
