What our parents are saying

“The after school Butterfly Pavilion Club has nurtured my children's love of animals and nature. It has awarded them opportunities that have enriched their experience at school and has provided a fun and educational after school activity that is aimed towards their different ages.”

“This afterschool club was such an enjoyable activity for my Kindergarten student! I highly recommend it.”

“The butterfly pavilion after school program has been one of the highlights of my daughters week every week since she joined it. It's allowed her to go out and have extra time with friends outside of school hours doing fun activities that are educational and stuff that she's really interested in.”

“Claro que me gusto mucho q mis hijos aprendan mas sobre ese tema mis hijos estan muy agradecidos por la oportunidad q se les dio.”

Awards and Recognition

Butterfly Pavilion afterschool and camps programs have been recognized by Leave No Trace as Gold Standard Youth Programs.

Butterfly Pavilion's Afterschool programs were awarded the 2023 Innovative Environmental Education Program award from the Colorado Alliance of Environmental Education (CAEE).

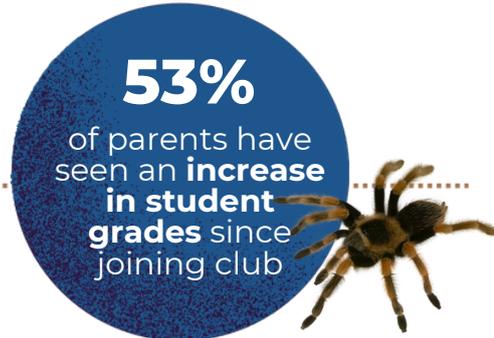

Butterfly Pavilion's Afterschool & Camp Coordinator was selected as a National AfterSchool Association (NAA) 2025 Next Generation of Afterschool Leader and got to go to the annual NAA conference to receive the award and learn more about the industry.

What Parents are Saying

As a working parent, Butterfly Pavilion Afterschool Club provided me with a precious extra hour and fifteen minutes. **My daughters were engaged and learning fun things.** Each week, they **came home with fun facts and great artwork.** Their curiosity was nurtured, and they were encouraged to expand their thinking. **I really appreciate Nature Club!**

Race / Ethnicity Demographics of participants

About

Our programs feature **live animal encounters, hands-on conservation education, crafts, games,** and more!

Mission

We aim to **spark curiosity for science** through hands-on, interactive activities, **providing an engaging afterschool environment** where children can **discover the wonders of the natural world.**

Price Calculator

We are committed to ensuring that cost is not a barrier to accessing our programs.

If pricing may present a challenge for your school or organization, please contact us to learn about available options.

Price per class

$$(105 + (0.725 \times \# \text{ of miles})) \times \# \text{ of classes} = \text{Total Cost}$$

Base program price *30% discount from outreach programs

Current federal mileage rate

Total miles to and from Butterfly Pavilion

Parents paying?

$$\text{Total Cost} / \# \text{ of expected students} = \text{Price per Student}$$
