How to add your <u>Membership Card</u> to your <u>digital wallet</u>

This is currently available ONLY for iOS devices. For Android users, physical cards are available upon request.

Step 1: Log into your membership account on your iOS browser (ie. Safari) using your email address.

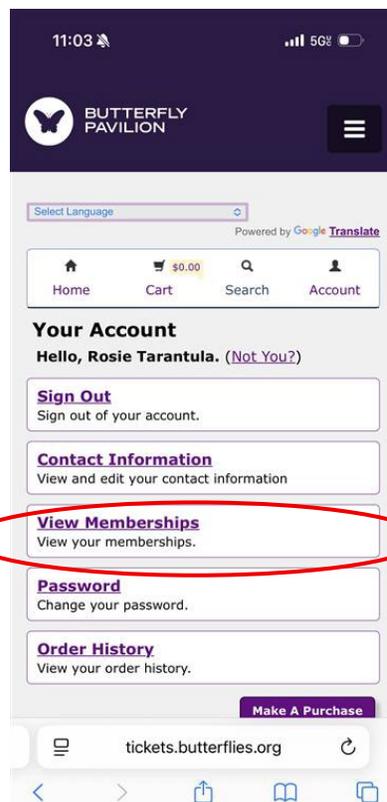

Enter the temporary password "rosie" if this is your first time logging in.

If you are having trouble, please call (720)531-9364.

You can also scan the QR code here to go directly to the page.

Step 2: Once you are on the home page for your membership, select "<u>View Memberships</u>"

Step 3: Once you are viewing your memberships, you can now directly add your membership card to your digital wallet*. Select the button that says, "Add to Apple Wallet". This will open a pop-up, then select "Add".

* This is currently available ONLY for iOS devices. For Android users, physical cards are available upon request.

Step 4: You are now ready to use your new digital membership card! Open your Apple Wallet when you arrive to check-in at the front desk and our team will use that to check you in for the day. Thank you for being a member!
