2026 PRICING SHEET FOR EVENT SPACES + EXHIBITS

While Butterfly Pavilion is open to the public from 9:00 a.m. – 5:00 p.m. daily, our unique venue can support private events during the day, after-hours or a hybrid event timeframe.

Peak Months: April through October

Off-peak Months: November through March

Cost Categories:

- **Rental Fee:** This is the reservation rate total for each contracted event space + exhibit.
- **Labor:** While our event packages typically include a Venue Manager, the scale + scope of your private event ultimately determines your labor needs and cost.
- **Set+Strike Fee:**
 - Clients may not handle venue furniture.
 - If your licensed + insured caterer is unwilling to setup, breakdown and store (“set+strike”) our venue furniture and perform required post-event cleaning/trash removal tasks as outlined in Schedule C of our Private Event Agreement (PEA), or you are self-catering your event, then your Venue Manager will need to arrange for a team to perform these tasks and one of the following fees will apply based on your projected attendance.
 - **Up to 50 people:** \$250
 - **51-99 people:** \$350
 - **100+ people:** \$500 minimum (*Your reserved event spaces/exhibits ultimately determine this fee.*)
- **Security:** For events with 75+ people or alcohol service, at least (1) security guard is required.
 - Each unarmed security guard is \$225 for a 4-hour minimum, after which an hourly fee will apply.
 - Your Venue Manager will arrange security for your event.
 - Alternately, you may hire an off-duty Westminster Police Officer/s for your event.
- **Gratuity + Tax:** none

Make Your Event Unforgettable – Exhibit Rental Fees (*after-hours only*):

Once you select your event’s primary event space/s or package, any of our engaging exhibits can be added on, *after-hours*, for an extra-special touch.

Personal, Daytime-only Butterfly Release: \$200

- **Availability:** non-peak months only; no weekends
- During our daily 9:00 a.m. – 5:00 p.m. hours of operation, a *personal* butterfly release can be provided for up to 75 event guests in the ceremony spot of our beautiful butterfly conservatory.
- While our staff will do their best to provide your group “front-row viewing”, paid patrons in our remarkable tropical rainforest at the time of your *personal* butterfly release may choose to join and watch.
- **Butterfly Release Details:**
 - Our butterfly releases only take place inside our Wings of the Tropics butterfly conservatory.
 - People tend to envision a Disney-esque butterfly funnel when they think about a butterfly release.
 - While this could happen, the butterflies are wild animals and, more often than not, this is their virgin voyage from the chrysalis room into the conservatory.
 - As such, it is more likely that the 12-15 butterflies in your release will emerge from the pretty, antique- or pure-white metal enclosure in smaller groups vs. all together and all-at-once.
 - The beautiful backdrop of lush, colorful plants in this warm, tropical rainforest is a bonus!

Ceremony Rehearsal (1 hour):

- **Monday – Friday between 9:00 a.m. – 4:00 p.m.:** complimentary
- **Monday – Friday at/after 5:00 p.m.:** \$100
- **Saturday or Sunday:** \$100
- **Note:** If a ceremony rehearsal is scheduled, then your Wedding Coordinator must be present to manage the rehearsal + its participants.

Event or Wedding Coordinator: While our venue does not require that you hire a professional event or wedding coordinator, a levelheaded, organized and responsible person who is ideally not part of your wedding party is necessary. **Responsibilities include:**

- serving as the liaison between you and your event’s assigned Venue Manager
- organizing your event + managing your event vendors
- participating in your complimentary 30-day-out walk-through with your vendors and Venue Manager
- **day-of management of event and guests, including:**
 - managing event setup
 - collecting event items, such as décor, cards, gifts, leftover F&B and personal effects, post-event
 - greeting and directing guests as they arrive
 - managing your event and guests
 - communicating with your Venue Manager
 - participating in the required post-event walk-through with your vendors + Venue Manager prior to departing the facility

Venue Furniture Inventory:

- (20) 60”-diameter round tables
- (150) white cushioned event chairs

- (10) 31”-diameter highboy tables

Table Drapes: You may rent table drapes from Butler Rents or from your caterer or you may bring in your own table drapes, as long as they sufficiently cover the tops of our venue's various tables that are used for your event.

Payment Process:

- Once the Private Events Sales Manager receives both of your signed/dated contracts, they will have the Senior Director of Events & Retail counter-sign/date both documents.
- The Private Events Sales Manager will then email both fully-executed contracts to you and include a secure payment link to pay your event's initial deposit, which is 50% of the Rental Fee Total + 50% of the Damage Deposit Total, or your event's total balance if you are less than 30 days out from your event.
- Two (2) weeks prior to your event date, your Venue Manager will email you a second, secure payment link to pay your event's remaining balance.
- You may also pay via check, which should be made out to **The Rocky Mountain Butterfly Consortium, DBA Butterfly Pavilion** and mailed to **Butterfly Pavilion, Attn. Private Events**.

Parking:

- Our onsite primary + overflow parking lots provide 144 total spaces.
- Our unique venue can become quite busy both on weekdays + on weekends.
- For daytime private events, keep in mind that both your event attendees + paid patrons will want to park onsite.
- For *after-hours* private events, note that when we close at 5:00 p.m., all remaining paid patrons will vacate our venue and free up onsite parking spaces for your event attendees.
- More complimentary parking is located in the lot in front of The Westin Westminster Hotel as well as to its east, at Christopher Fields.
